

**Money Matters:  
Recipe for Financial Freedom**

Today we conclude the sermon series on Money Matters. Over the last month a number of people have indicated how much they have appreciated these messages. All of us are in one of two camps with our finances: financial freedom or financial bondage. God's plan, of course, is freedom! Today we will discover the ingredients that make up the recipe for financial freedom. It's my prayer that we would find help and hope in this area that can bring so much heartache.

**Marriage 101**

Tuesday, February 14 is Valentine's Day! I thought it would be helpful to do a series of messages entitled "Marriage 101." These messages will be helpful reminders about the building blocks that make for good relationships. Join us as we attempt to make our marriages stronger!
