

Marriage 101

There is no doubt about it, Americans believe in marriage! As Americans, we have the highest marriage rates in the world. Ninety six percent of Americans marry at some point in their life and eighty percent of those that divorce marry again. Although we believe in marriage, many problems can develop that cripple it.

This morning we begin a three week series entitled "Marriage 101." My hope is to turn our attention to God's blueprint for the home. This series will include the following messages: 1) God's Best Plan; 2) Making Marriage Work; 3) Steps to a Thriving Marriage. Make a point to attend every service as we get back to basics in marriage.

Mission Trip to Guatemala

This week Mike Todd will be departing for a 10 day mission trip to Guatemala. He and the mission team will be serving outside of Guatemala City in some remote areas. Please pray for Mike, his daughter Beth and the rest of the mission team as they share Christ and serve others. Pray for the anointing of God and their effectiveness. Pray that many Gospel seeds will be planted and that those they encounter will respond to Christ.
