You have a few options for Church Newsletter.

1. **Welcome to Colossal Coaster World where we were facing fear and trusting God. We are so happy that you are here this morning. Our enrollment for VBS was 269. We had a high attendance of 214 on Wednesday. We collected $57.82 which will be sent to the MBC for tornado victims in Moore OK. We had 27 who made decisions for Christ. We thank God for the many answered prayers this week.**

Once again, our mission project was to collect items for our local Helping Hand. We challenged each age group to bring as much as they could. 1st and 2nd grade won the challenge with 145 items. Our kids brought a total of 485 items. Thank you kids and parents!

Parents, thank you for allowing your children to join us this week; as we were all challenged to change, speak up, believe, stand strong, and trust. It was a blessing to see them every day.

I praise God for our VBS workers who gave of their time to further the Kingdom. I truly saw Jesus in each one of them. The teenagers were awesome! Many of them are working, playing ball, etc., but they still made time to help at VBS. Many of them had 2 or 3 jobs at VBS and were willing to do anything I asked them to do.

Finally, thank you, church family, for your prayers, financial support, words of encouragement, and all the candy. You have always supported this effort in every way. We give God the glory for all the answered prayers, blessings, and decisions this week.

Please pray for us as we follow up on the decisions that were made this week.

Thank you for the great joy of serving as your VBS director. What a ride it was!

Thank you for helping in VBS:
